Do you love organising events? Live for having fun throwing your children's Birthday parties? We need you to join the P&C executive team!

The new role of Second Vice President may be just what you are looking for.

This role will focus on fundraising for the P&C with the full support from the President, Vice President, Secretary and Treasurer.

The Second Vice President will work with the Executive Committee to coordinate and oversee all activities related to fundraising which include:

- Forward planning, scheduling and budgeting of fundraising events
- Order or purchase all required stock for the event,
- Report and request funds at P&C meetings,
- Enlist the support of the community to help prepare, set up and run the events,
- Create exciting notes to be sent home with students informing parents of fundraising events. The school will print the notes and give to the teachers to give to the children.
- Design simple posters to be placed around the school to remind everyone about the fundraising event,
- Count and bank all money raised.

This list might make this role seem too much, but actually it isn’t. Remember, fundraising at Belmore South Public is a team effort, we are looking for a passionate new member to work with the P&C executive committee and help rally the support of our wonderful community.

Please let the Principal Mrs Mitchell know if you are interested in this position. We will have a vote at the next P&C meeting on March 5th to fill this role.

A huge thanks to all the brilliant volunteers from 2014 we are looking forward to working with you all in 2015 to raise the money needed to support our children.

WE PUT THE FUN IN FUNDRAISING
